

TRAFFIC CITATIONS

When you receive a citation, there will be an appearance date and time listed on the citation. This is the date and time in which you must pay your citation or contest your citation. Contact the court by that date and time, to arrange a payment plan, or to contest the charges on the citation and set your case for a pretrial.

When a citation states that you must appear in Court, rather than listing a fine or bail amount, it is a mandatory appearance on the date and time listed on the citation. **YOU MUST APPEAR PERSONALLY.**
